SECTION B - SUPPLIES OR SERVICES AND OFFEROR'S PRICES

The United States District Court for the **WESTERN** District of **MISSOURI** is soliciting a vendor to provide substance abuse and/or mental health treatment services. A Vendor must be capable of providing services within a geographic area encompassing **Springfield, Missouri.**

As a result of this solicitation the Government intends to enter into a Blanket Purchase Agreement (BPA). For this BPA, approximately one (**1**) vendor is needed to provide the required services. The Government reserves the right to award to a single vendor.

A Blanket Purchase Agreement is a "charge account" arrangement, between a buyer and a seller for recurring purchases of services. BPA's are not contracts and do not obligate government funds in any way. A contract occurs upon the placement of a call or referral from the Probation/Pretrial Services Office and the vendor's acceptance of the referral. Referrals will be rotated among all the vendors on the BPA. BPA's are valid for a specific period of time, not to extend beyond the current fiscal year. The total duration of this BPA, including the exercise of two 12-month options, shall not exceed 36 months. BPA's will be issued to those vendors determined to be technically acceptable and offering the lowest cost to the Government, using the Evaluation Criteria established in Section M of the Request for Proposal.

Section B is generic and used nationwide to procure the particular needs of each U. S. Probation/Pretrial Services Office. For this solicitation, only those services marked by an "X" under the Required Services column are being solicited. Offerors shall propose on only the required services. Services proposed, but not marked as required, will not be evaluated or included under any resultant agreement. Offerors failing to provide offers on all required services marked, will be considered technically unacceptable.

Note: Estimated Monthly Quantities (EMQ's) represent the total monthly quantities to be ordered per service item under the BPA. Each vendor placed on the BPA may receive a share of the total quantity stated. However, EMQ's are estimates only and do not bind the government to meet these estimates.
