Definitions

- File:** Means “Electronic Case File” as records (with few exceptions) are maintained electronically rather than paper form. Electronic Case Files began on March 1, 2001 for all pending and new cases. Files for cases and documents filed prior to March 1 are still retained in paper form.
- Filing (to file):** Means transmitting documents and cases electronically via the Internet using the Court-specified, password-protected web site.
- Service:** Means “Electronic Service” via the Electronic Case Filing System (ECF). When a document is filed, attorneys who participate in ECF and who have entered their appearance or have filed a document in a case will receive service of the document electronically. Paper service is not needed for these participants.
- Conventional Service:** Means service by mail. This is needed for parties who are not participating in ECF and for the complaint and summons in all adversary cases. Party filers determine who needs service of the document they file. The Court may direct parties to serve notices or orders.
- Matrix:** A list of all creditors, interested parties and any ex-spouses in the bankruptcy. The matrix is prepared as a text (.txt) file and uploaded into the Electronic Case Filing System.
- PDF** All documents except the matrix are prepared in Portable Document Format (pdf). This is the only type of electronic file that can be filed in ECF.
- Signature** Means “electronic typed signature”. For all documents which require a signature the name of the signer typed below the signature line combined with the attorney’s use of the login and password issued for ECF shall constitute the signature of the attorney and/or attorney’s client for all purposes, including Fed. R. Bankr. P. 9011 and Local Rule 9011-1.
- Verification (verified):** Means a sworn statement or an unsworn declaration of the debtor attesting to the accuracy of the information contained in all petitions, lists, schedules, statements and amendments thereto pursuant to Fed. R. Bankr. P. 1008.

Rule 1001-1. Scope of Rules

These Rules may be amended or supplemented from time to time by additional orders as the Court deems necessary. Unless otherwise specified, all statutory references are to Title 11, United States Code.

B. Application. These Local Rules shall apply to all cases and proceedings in the United States Bankruptcy Court for the Western District of Missouri. The failure of a party to comply with these rules may result in a ruling adverse to that party, or the imposition of appropriate sanctions.

C. Effective Date. These Rules become effective on . These Rules supersede all previous Rules or General Orders promulgated by this Court or by any Judge of the Court.

D. District Court Rules. Certain provisions of the Local Rules of the U.S. District Court, Western District of Missouri, have been incorporated in the Bankruptcy Local Rules. Additional District Court Local Rules may be applied in particular cases at the discretion of the judge.

Rule 1002-2. Complex Chapter 11 Cases

A. Designation of a Complex Chapter 11 Case. A Complex Chapter 11 Case is defined as a case filed in the Western District of Missouri under chapter 11 of the Bankruptcy Code that requires special scheduling and other procedures because of a combination of one or more of the following factors:

1. The need for “first day” emergency hearings for consideration of the use of cash collateral, debtor-in-possession financing, and other matters vital to the survival of the business;
2. The size of the case (usually total debt of more than \$5 million or more than \$2 million in unsecured non-priority debt);

3. The large number of parties in interest in the case;
4. The fact that claims against the debtor and/or equity interests in the debtor are publicly traded (with some creditors possibly being represented by indenture trustees);
5. The need for simplification of noticing and hearing procedures to reduce delays and expense; or
6. Other similar factors.

B. Notice of Designation. If any party filing a chapter 11 bankruptcy petition believes that the case should be classified as a Complex Chapter 11 Case, the party shall file with the bankruptcy petition a Notice of Designation as Complex Chapter 11 Bankruptcy Case (**See Local Form-MOW 1002-2.1**).

C. Initial Motions and Hearings. The judge who is assigned a Complex Chapter 11 Case shall use best efforts to arrange the judge's calendar so that the "first day" emergency hearings can be conducted as required by the circumstances, but not more than two (2) business days after the request for emergency "first day" hearings. In the event the assigned judge is unavailable the Chief Judge and/or other members of the Court shall use best efforts to arrange for such hearings within such time period. Following are examples of recognized first day motions and applications:

D. The Clerk's Responsibility. When a party has filed a Chapter 11 case and filed a Notice of Designation as Complex Chapter 11 Bankruptcy Case (**See Local Form - MOW 1002-2.1**), the clerk shall:

1. Immediately confer with the assigned judge about setting hearings on any emergency motions and about issuing the Initial Order (**See Local Form - MOW 1002-2.2**); and
2. If the assigned judge determines that the case does not qualify as a Complex Chapter 11 Case, the assigned judge shall issue an Initial Order Denying Complex Case Treatment. The applicant is responsible to ensure that the itemized statement is made PDF compatible for filing under the ECF system.

C. When Application Over \$1,000. Necessary. When an application is necessary and if such application is for compensation exceeding \$1,000, in addition to service in Paragraph B, applicant shall serve on all creditors a notice (**See Local Form - MOW 2016-1.1**) stating: the amount of fees and expenses sought; period covered; number of previous applications filed; amounts of compensation previously sought and allowed; original retainer and balance; that parties have 20 days to object, if no objections are filed the Court may enter an order, and if objections are filed the Court may set a hearing.

- a. The Chapter 13 trustee shall pay the “equal monthly amount” for debtor’s attorney fees contemporaneously with claimants paid an “equal monthly amount.”
- b. In the event the proposed plan payment is not sufficient to cover the “equal monthly amount” proposed for the payment of attorney fees and the Chapter 13 trustee’s statutory maximum fee, the filing of the plan on behalf of the debtor shall be deemed a waiver of the right to receive that “equal monthly amount” and the Chapter 13 trustee shall set an “equal monthly amount” which will resolve any §1322(a)(1) issues.
- c. If the Chapter 13 plan does not provide for an equal monthly amount for the payment of attorney fees and the attorney is authorized/ordered to receive his or her fees, or a portion thereof, from the Chapter 13 plan payments, the Chapter 13 trustee shall set those fees to be paid in an equal monthly amount not less than \$1.00 and not more than \$150.00.

2. Dismissed or Converted Cases. If the Chapter 13 case is dismissed or converted and the debtor’s attorney is owed fees:

- a. Pre-confirmation:
 - i. The attorney is not entitled to payment of attorney fees from the trustee other than from funds received on or before the date of the entry of the order of dismissal/conversion which otherwise would be refunded to the debtor; and
 - ii. In order to obtain those funds, less the trustee’s fee, the Court must enter an order upon a timely filed motion.
- b. Post-confirmation: The trustee shall distribute funds to creditors, including debtor’s attorney, pursuant to the terms of the confirmed plan as funds are available.

Rule 2090-1. Attorneys - Admission to Practice

A. Attorney Admission; Discipline. Except to the extent modified by this Rule, standards and requirements stated in the Local Rules of the District Court are adopted for attorney admission, discipline and unauthorized practice in the Bankruptcy Court.

Visiting counsel shall file a Motion for Admission Pro Hac Vice designating a member of the Bar of this Court with a law office in the District and division, upon whom service of all papers may be made. The Bar member shall consent to the designation in writing and be listed thereafter on all pleadings. The requirement to identify a member of the Bar of this Court for service may be waived by the Court for cause. The Court may dismiss a

proceeding for failure to comply with this Rule.

2. Admission to appear as visiting counsel in a particular case does not authorize visiting counsel to appear in any other case(s) without first complying with this Rule as to such other case(s).

D. Government Counsel. A U.S. government attorney may appear without motion for admission. If not a resident in this District, he shall designate the United States Attorney in this District to receive service of all documents.

E. Former Law Clerk. An attorney who has been a law clerk to a judge shall not work on a case which was pending before the judge during the clerkship. Breach of this Rule may disqualify the attorney and firm. The employer shall implement procedures so the attorney does not work on cases pending during the clerkship. For one year after a clerk leaves the judge's employ, that clerk shall not work on any newly-filed case assigned to the judge, as follows:

1. If the clerk: a) prepared or assisted on a petition for relief which is assigned at time of filing to the judge, or b) participated in a case or proceeding for any party after filing and before assignment to the judge, the firm shall advise the judge and the judge shall recuse.
2. If the clerk begins work on a matter after assignment to the judge, the firm shall advise the judge, and the clerk and firm will be disqualified from further participation.

F. Appearance Without Counsel.

1. Individual. An individual may appear and represent himself in any proceeding or hearing in Bankruptcy Court.

2. Other Entities. An entity that is not an individual, including a corporation, partnership or trust, may not file a petition for relief or participate as a debtor, creditor, or party in interest in any proceeding involving presentation of evidence or argument to the Court except by an attorney. This Rule does not prohibit an authorized representative of a corporation, partnership or trust from appearing at a § 341 meeting, filing a claim, voting on a Chapter 11 plan, or voting to elect a trustee without an attorney.

Rule 2091-1. Attorneys - Withdrawal and Substitution

A. Withdrawal. An attorney of record may withdraw only by Court permission, by an order entered after service of notice of withdrawal on the client, other counsel of record, the trustee, if any, and the United States Trustee. An order will not be entered until new counsel enters an appearance, except for good cause.

B. Substitution. An attorney of record may file a notice of substitution of counsel if new

counsel is employed in the same law firm as the attorney of record.

B. Service of Proofs of Claim.

1. **Proofs of Claim - No More than 5 pages of Exhibits.** Debtor's attorney and trustee will receive service by electronic means. If the debtor is pro se, service of the claim and exhibits shall be by conventional means.

2. **Proofs of Claim - with a Summary of Exhibits.** A legible copy of the claim and each supporting document shall be served conventionally on the debtor's attorney, if any, or on debtor and, if applicable, the trustee concurrently with the electronic filing of the claim.

3. **Proofs of Claim in Chapter 13 cases.** Proofs of Claim in Chapter 13 cases are subject to the requirements of Local Rule 3084-1.

C. Transferred Claims. Any assignment or evidence of transfer of a claim filed after a proof of claim has been filed must include:

1. the amount of the claim;
2. the name of the original creditor (transferor);
3. the name and address of the transferee; and
4. a waiver of notice by the transferor if applicable.

Rule 3002-1. Filing Proofs of Claim in Chapters 7 and 11

A. Chapter 7. In a Chapter 7 case, no deadline will be set for filing proofs of claim unless the trustee requests that the Court issue a notice to creditors to file claims. Upon receipt of a request, the Court shall serve the notice to all creditors along with a blank proof of claim and instructions that conform substantially to the Official Form. All claims filed with the court will be included on the claims register.

B. Chapter 11.

1. Claims Bar Date. In all Chapter 11 cases, on motion without hearing, the Court shall fix a claims bar date.

2. Notice of Bar Date. In all Chapter 11 cases, unless the Court orders otherwise, the debtor must serve notice of the claims bar date with a blank proof of claim and instructions that conform substantially to the Official Form on all creditors and parties in interest. At the discretion of the Court, such deadline may be specified in the §341 meeting notice.

3. Newly Added Creditors. If the debtor amends its Chapter 11 schedules to add a creditor or to reduce the amount of a claim or reclassify a claim as contingent, unliquidated, or disputed after having served notice of the claims bar date, then, in addition to serving the amended schedules on the affected creditor, the debtor shall serve the notice of claims bar date upon the affected creditor and shall give written notice that the creditor must file any claim by the bar date or thirty (30) days after the date of the notice, whichever is later.

C. Chapter 13. See Local Rule 3084-1.

D. Conversion. A proof of claim filed before conversion of any case is deemed filed in the converted case. Any claimant who did not file a proof of claim in a Chapter 9 or Chapter 11 case because the claim was correctly scheduled must file a proof of claim in the converted case.

E. Lease Rejection and Avoidance Action Claims. Any claim that arises out of the rejection of an executory contract or unexpired lease or from a judgment entered against the creditor pursuant to an action under Chapter 5 of the Bankruptcy Code shall be filed by the claims bar date established in the case or within thirty (30) days after entry of an order approving the rejection or entering judgment, whichever is later.

Rule 3007-1. Objections To Claims

A. Chapter 13 Claim Objections. See Local Rule 3084-1.

B. Omnibus Objection. Objections to claims may be contained in one or more omnibus objections. The recommended form of objection is contained in the Local Forms (**See Local Forms - MOW 3007-1.1 and MOW 3007-1.2**). This Rule applies to trustees serving under chapters 7, 11 and 12, and debtors-in-possession under chapter 11.

C. Procedure for Objections to Claims: Response Filed. A claimant shall have 30 days after service of the objection in which to file a response. The response shall be in writing and state with particularity why the claimant believes the claim is valid and should be allowed. If a

response is filed, the Court will schedule a hearing. If no timely response is filed, the court will enter an order sustaining the objection as to the claimant and disallowing such claim.

D. Procedure for Objections to Claims: Amended Claim Filed. A claimant may elect to file an amended claim in an effort to address an objection. The filing of an amended claim is suggested when the objection goes to the form of the claim (e.g., insufficient documentation to support claim). If there is further objection to the amended claim, an objection to such amended claim shall be filed; otherwise, the amended claim will be allowed.

E. Separate Objection Permitted When Trustee Seeks Affirmative Relief. The trustee may file a separate objection and request for hearing with respect to a particular claim when, for instance, the trustee desires to assert a counterclaim or seek other affirmative relief against the claimant.

Rule 3010-1. Small Dividends and Payments

In accordance with the authority granted under Fed. R. Bankr. P. 3010, a trustee in a Chapter 7 case may pay out dividends that are less than \$5.00. In a Chapter 7 case with ten or fewer creditors scheduled to receive a dividend of less than \$5.00, the trustee shall distribute the funds. In a Chapter 7 case with more than ten creditors scheduled to receive a dividend of less than \$5.00, the trustee, in his discretion, may pay out the funds or treat them in the same manner as unclaimed funds as provided in § 347 of the Code.

Rule 3011-1. Unclaimed Funds

A. Motion to Pay Funds from Registry. After a final distribution has been made, and after the filing of a Motion to Pay Into the Court Registry and the entry of an order approving the motion, funds for creditors who could not be located shall be paid into the Court Registry by the trustee/debtor-in-possession with a listing showing name, address and amount. A creditor whose funds were paid into the registry may file and serve on the trustee, United States Trustee and debtor's attorney a motion for distribution from funds in the registry.

B. Proof of Right to Funds. A party seeking release of unclaimed funds shall submit a legal document (such as an affidavit) to the court with the motion requesting release of the funds. An individual shall provide a copy of a photo identification, such as a driver's license. A corporation whose name has changed or that has been assigned rights to the funds shall provide documentation as appropriate. Fund locator services shall provide a copy of their power of attorney.

Rule 3015-1. Filing of Plan; Objection to Confirmation; Modification of a Plan in a Chapter 13

See Local Rule 3083-1.

Rule 3016-1. Chapter 11 Plan - Not Small Business

Unless otherwise required by the Bankruptcy Code or Court order, a Chapter 11 debtor shall file a plan and disclosure statement within 120 days after filing of the petition. If debtor seeks an extension of time to file a plan or of the exclusive period to file a plan, debtor shall file a motion for extension before expiration of the 120 days, stating the reason a plan has not been filed and a schedule of steps to be taken to file a plan.

Rule 3016-2. Disclosure Statement - Not Small Business

A. Disclosure Statement. Chapter 11 disclosure statements must include at least three years each of detailed financial operating histories and operating projections, including projected plan payments and tax consequences. Data for longer or shorter periods may be required.

B. Approval of Disclosure Statement.

1. Conditional Approval. The Court may conditionally approve a disclosure statement. On or before conditional approval of the disclosure statement, the Court shall:

- a. fix a time for filing objections to the disclosure statement;
- b. fix a date for the hearing on final approval of the disclosure statement to be held if a timely objection is filed;
- c. fix a date for the hearing on confirmation; and
- d. fix a time within which the holders of claims and interests may accept or reject the plan.

2. Application of Fed. R. Bankr. P. 3017. If the disclosure statement is conditionally approved, Fed. R. Bankr. P. 3017(a) and (e) do not apply. Conditional approval of the disclosure statement is considered approval of the disclosure statement for the purpose of applying Fed. R. Bankr. P. 3017(d).

3. Objections and Hearing on Final Approval. Notice of the time fixed for filing objections and the hearing to consider final approval of the disclosure statement shall be given in accordance with Fed. R. Bankr. P. 2002 and may be combined with notice of the hearing on confirmation of the plan. Objections to the disclosure statement shall be filed, transmitted to the United States Trustee, and served on the debtor, the trustee, any committee appointed under the Bankruptcy Code, and any other entity designated by the Court at any time before final approval of the disclosure statement or by an earlier date as the Court may fix. If a timely objection to the disclosure statement is filed, the Court shall hold a hearing to consider final approval before or combined with the hearing on confirmation of the plan.

Rule 3016-3. Plan and Disclosure Statement in Small Business Cases

A. Applicability of Rule. This rule applies in small business cases as defined by § 101(51C). Except as specified in this Rule, the provisions of Local Rules 3016-1. and 3016-2. are not applicable in small business cases.

B. Form of Plan and Disclosure Statement. The disclosure statement and plan of reorganization in a small business case shall conform substantially to Official Forms 25A and 25B. Appropriate modifications to those forms are permitted.

C. Conditional Approval of Disclosure Statement. Pursuant to § 1125(f)(3)(A) and (C), upon the filing of a disclosure statement and plan of reorganization in a small business case, the court will employ the procedures set forth in subparagraph B of Local Rule 3016-2.

D. Plan of Reorganization as Disclosure Statement. If a debtor in possession or trustee intends, pursuant to § 1125(f)(1), that the plan is to serve as a disclosure statement, the plan shall be designated as such as required by Fed. R. Bankr. P. 3016(b) and filed (**Utilize Official Form 25B or Local Form MOW 3016-3.1**). A plan so designated shall be treated as a disclosure statement under Fed. R. Bankr. P. 3017.1.

Rule 3020-1. Ballots

A. Service. Unless otherwise ordered by the Court, ballots are to be served by the debtor on creditors, equity security holders and other parties in interest and a certificate of service filed with the Court.

B. Filing. Ballots to accept or reject a Chapter 11 plan shall be sent to the debtor or the debtor's designee unless otherwise ordered by the Court.

C. Summary. The debtor shall file a summary of the ballots with the Court prior to the confirmation hearing date.

Rule 3022-1. Final Decree in Chapter 11 Case

As soon as practicable after the confirmed plan has been substantially consummated and the estate has been fully administered, the reorganized debtor, trustee, or other responsible party as designated in the confirmed plan shall file a Chapter 11 Final Report and Application for Final Decree that substantially conforms to the Local Form (**See Local Form - MOW 3022-1.1**)

Rule 3070-1. Chapter 13 Direct Payments

All payments must be through the Chapter 13 trustee unless the Court orders or the trustee

agrees otherwise, except debtors may pay directly: 1) unmodified payments on a note secured by real property; 2) ongoing support obligations pursuant to a court decree; and 3) lease payments upon which the debtor has assumed the underlying lease.

Rule 3080-1. Chapter 13 - Service

All pleadings, including amended plans and orders filed in Chapter 13 cases, shall be served on the Chapter 13 trustee and debtor's attorney or debtor, if appearing pro se.

Rule 3081-1. Chapter 13 Closing Before Confirmation

In cases which close before confirmation of a plan, the Chapter 13 trustee may collect from the funds on deposit with the Chapter 13 trustee a \$100.00 fee for expenses.

Rule 3083-1. Chapter 13 Plan; Objections to Plan

A. Plan Summary. Each Chapter 13 plan must be filed with a plan summary or a combination plan/plan summary with all the information in the Local Form (See Local Forms - MOW 3083-1.1 and MOW 3083-1.2) Debtor shall serve the plan and summary on all creditors when the plan is filed and shall serve amended plans on all affected creditors.

B. Service of the Plan Summary. The plan or summary shall be served on the United States Attorney and the appropriate agency when the United States is a party in interest. **Appendix 1-9** contains a list of standard addresses of government agencies.

C. Plan Percentages. Debtor must use 10% of receipts, the statutory maximum, for trustee fees when calculating plans. The actual percent, set by the Attorney General pursuant to statute, may vary during the plan.

D. Objections to Plans. It is the duty of affected creditors and not the trustee to file objections to confirmation of plans and amended plans on all grounds for non-confirmation. The trustee may also object. Unless otherwise noticed, objections to plan confirmation must be filed within 20 days after conclusion of the § 341 meeting of creditors. Absent timely objections, the plan may be confirmed without further notice.

E. Objections to Amended Plans. Objections to amended plans are due 20 days after the amended plan is filed.

F. Incorporation of the Plan Summary. If the Chapter 13 plan does not incorporate the plan summary by reference, to the extent there are inconsistencies between the plan and plan summary, the provisions of the summary are deemed to be the provisions of the plan.

G. Wage Order to Employer.

1. Issuance of Wage Order. The Chapter 13 trustee may cause a wage order to be issued to the debtor's employer in a Chapter 13 case at any time the plan payments are more than 30 days delinquent. The 30-day delinquency is measured pursuant to § 1326 (a)(1). The debtor shall provide on Schedule I the full address for the debtor's payroll department to which the Chapter 13 trustee may cause a wage order to be issued, and shall amend Schedule I if their employment changes.

2. Vacating a Wage Order. In the event the debtor wants a wage order to the employer vacated, the debtor must file a motion to vacate the order and demonstrate that appropriate circumstances exist for the debtor's direct remittance of plan payments.

Rule 3084-1. Chapter 13 Proofs of Claim; Objections to Claims

A. Filing and Service Chapter 13 claims may be filed electronically with the Clerk. A proof of claim shall not include more than 5 pages of legible exhibits in support of the claim. If there are more than 5 pages of exhibits, a summary listing all documents in support of the claim shall be filed (**See Local Form - MOW 9040-1.1**). Debtor's attorney and trustee will receive service by electronic means if the claim has no more than 5 pages of exhibits. If the debtor is pro se or if there are more than 5 pages of exhibits, the claim, with attachments, must be served conventionally on the Chapter 13 trustee and on debtor's counsel, including notice of transfer of claim, as required by Fed. R. Bankr. P. 3001(e).

B. Claims Register. The Court will maintain the claims register electronically.

C. Classification. If a claim does not state whether it is secured, unsecured priority, or unsecured non-priority, it will be deemed an unsecured non-priority claim. Unsecured priority claims shall provide the amount of the claim entitled to priority treatment and provide the Title 11 reference which entitles it to priority treatment. If the plan does not provide for the priority treatment and the statutory reference is not provided on the face of the claim for the alleged priority portion of the claim, the alleged priority portion of the claim shall be deemed allowed as an unsecured, non-priority claim absent a timely written objection filed with the Court.

D. Secured Claim. A secured claim must state a fair market value for each item of collateral. The trustee will use the creditor's fair market value if the fair market value is clearly provided on the face of the proof of claim. If the creditor does not provide a fair market value on the face of the claim then the trustee will use the value contained in the debtor's plan. If neither the proof of claim nor the plan states a value, the trustee shall use the value set out in the debtor's schedules. If neither the debtor nor the creditor has provided a fair market value, the trustee shall load the proof of claim as unsecured non-priority. Listing the amount of debt on the "secured" line of the claim or stating that the fair market value is more than the amount owed (or

a similar statement) shall not constitute providing the fair market value. It is unnecessary for a governmental taxing entity to include a fair market value on the face of its claim when filing a secured claim; if a governmental taxing entity files a secured claim, it shall be deemed a secured claim absent a timely written objection filed with the Court. Pursuant to § 511, if the governmental taxing entity is entitled to interest (present value) on its secured claim, the governmental taxing entity shall provide the Chapter 13 trustee with the appropriate interest rate (discount rate) under applicable non-bankruptcy law. Absent such rate being provided to the trustee, the § 511 rate shall be deemed to be the "CHAPTER 13 RATE" applicable to the case at bar. See Local Rule 3084-1 G.

E. Present Value on Secured Claims (other than claims secured by debtor's residence).

Absent Court order to the contrary, all filed and allowed secured claims entitled to present value will be paid present value at the Chapter 13 rate (referenced below) unless the plan/plan summary **specifically** provides for "**zero**" interest.

Filed and allowed oversecured claimants to whom § 506 applies shall receive their contract rate of interest, if provided on or with the proof of claim, from the date of the petition up to the date of confirmation. From the date of confirmation forward, filed and allowed oversecured claimants shall receive the posted "**CHAPTER 13 RATE.**" If the contract rate is not provided on the face of the proof of claim, such a claimant will receive the posted "**CHAPTER 13 RATE**" from the date of the petition forward. An oversecured claim is one in which the fair market value of the collateral exceeds the total amount of the claim.

F. Interest on Claims Secured by Debtor's Residence. Unless otherwise set forth in the Plan, a claim secured only by real estate which is the debtor's principal residence, shall receive its contract rate of interest on its arrearage claim, or on any claim which is being fully satisfied within the life of the plan from the date of the petition forward. Interest shall be paid at the specific rate provided in the plan/plan summary. If the debtor does not want interest paid on the claim, then the plan/plan summary must clearly provide for "zero" interest. If a specific interest rate is not provided in the plan/plan summary or on the face of the proof of claim, and is not readily discernible from the first summary page attached to the proof of claim, it will receive the posted "**CHAPTER 13 RATE.**"

1. Adjustable Rate Mortgage. For adjustable rate mortgages, the trustee shall use the interest rate provided in the plan/plan summary. If no specific rate is provided in the plan/plan summary, the trustee shall use the appropriate posted "**CHAPTER 13 RATE**" unless the plan specifically provides for "zero" interest, in which case no interest shall be paid. If the plan/plan summary does not specifically provide for "zero interest" and does not provide a specific interest rate, the trustee shall use the interest rate provided on the face of the proof of claim, or on the first summary page attached to the proof of claim if one is provided, rather than the appropriate posted "CHAPTER 13 RATE."

2. Changes to Adjustable Rate. If the adjustable rate changes, it is the responsibility of the debtor or the creditor to notify the trustee of the new interest rate so that the claim can be adjusted accordingly.

G. Chapter 13 Rate

1. Calculation. The posted "**CHAPTER 13 RATE**" shall be determined by the standing Chapter 13 trustee for the Western District of Missouri semi-annually as follows:

- a. July 1 to December 31: For cases with the initial plan filed between July 1 and December 31, the interest rate shall be the 5 year treasury note rate as of the preceding June 1, plus 3% nominal interest rate per annum. The standing Chapter 13 trustee shall make the rate for the ensuing six-month period available to the Clerk of the Bankruptcy Court for posting for the first business day following June 10.
- b. January 1 to June 30: For cases with the initial plan filed between January 1 and June 30, the interest rate shall be the 5 year treasury note rate as of the preceding December 1, plus 3% nominal interest rate per annum. The standing Chapter 13 trustee shall make the rate for the ensuing six-month period available to the Clerk of the Bankruptcy Court for posting for the first business day following December 10 of the preceding year.

2. Duration. The posted "**CHAPTER 13 RATE**" in effect at the time of filing of the initial plan shall remain in effect throughout the entire life of the case.

3. Exception. The posted Chapter 13 rate is, absent evidence to the contrary, presumed to be the applicable rate. Parties may introduce evidence to determine what the applicable market rate of interest might otherwise be, on a case-by-case basis.

H. Objections. It shall be the debtor's duty, and not the trustee's, to file objections to claims. The debtor must serve the objection on the claimant, claimant's attorney, other appropriate parties, and the trustee. Objections to a claim filed by other parties must be served on the debtor's attorney, or if the debtor is pro se, on the debtor, other appropriate parties, and the trustee. Objections shall reference the Court's claim register number rather than the trustee's creditor record number.

I. Claims Allowed. All Chapter 13 claims will be allowed as filed absent timely objection by debtor. Claims will be paid according to the notice allowing claims.

J. Claim Amount. If the face of the filed proof of claim does not clearly state an amount owed, the trustee will load the claim amount as zero.

K. Present Value and Interest Calculations. Present value and interest calculations on claims being paid by the trustee shall be calculated on the unpaid principal balance based on a monthly

interest calculation (unpaid principal balance times the discount/interest rate divided by 12).

Rule 3085-1. Notice to Allow Claims

A. Trustee Notice. After confirmation of the plan and after the claims deadline, the trustee shall file a notice to allow or disallow claims. The trustee will serve the notice on debtor and debtor's attorney. The trustee will mail to each scheduled creditor or claimant with a filed claim an acknowledgment of claim and notice of the proposed treatment of the claim. Thereafter, if the trustee loads a claim which was not on the original notice or otherwise adjusts a claim which was on the original notice, the trustee shall file and serve a notice allowing the claim as an additional, adjusted, or amended claim.

B. Response. Claims will be deemed allowed as listed in the notice unless, within 30 days, debtor or a creditor files and serves an objection on the trustee, debtor's attorney, and other appropriate parties. Responses shall reference the Court's claim register number rather than the trustee's creditor record number.

Rule 3086-1. Payment of Claim After Lifting of Stay; Adequate Protection

A. Order Lifting Stay. If an order granting relief from the stay is entered, or if the stay otherwise is not in effect, the trustee shall continue to make payments pursuant to the terms of a confirmed plan, adequate protection order or other order of the court on the claims related to that collateral. Payments shall not cease until one of the following takes place:

1. An objection to that claim is filed and an order is entered directing the trustee to cease making payments on the claim, or
2. The claimant notifies the trustee that no further payments are owed on the claim(s) in which case the trustee shall notify the parties of such action pursuant to Local Rule 3085-1, or
3. An amended plan is filed and confirmed which specifically provides for no further payments to the claimant(s). Such amendment shall state with particularity which claim(s) shall receive no further payments.

When payments on a claim cease, the trustee shall redirect the funds to other creditors with filed and allowed claims in accordance with the confirmed plan. Once the trustee ceases making payment on a claim on which the trustee previously has distributed payments, the trustee shall adjust the claim to the principal amount previously paid.

B. Adequate Protection - General. All adequate protection payments through the Chapter 13 trustee shall be made in the ordinary course of the trustee's business from funds in the case as they become available for distribution to claimants. The Chapter 13 trustee shall make no payments until a proof of claim is filed. All payments through the Chapter 13 trustee shall be

subject to the trustee's statutory percentage fee, as set by the designee of the United States Attorney General, and the Chapter 13 trustee shall collect such fee at the time payment is made. On all adequate protection payments made by the Chapter 13 trustee, the principal amount of the adequate protection recipient's claim shall be reduced by the amount of the adequate protection payments remitted to the claimant unless the court orders otherwise.

C. Adequate Protection - Leases

1. Personal Property. The debtor shall pay directly to the lessor all payments scheduled in a lease of personal property for that portion of the obligation that becomes due after the order for relief. Absent a timely objection to confirmation of the proposed plan, the debtor is presumed to have made these payments as required under § 1326(a). As the Chapter 13 plan shall provide that payments to personal property lessors will be paid directly, there shall be no reduction in the Chapter 13 plan payment for these direct payments.

2. Real Property. The debtor shall pay directly to the lessor all payments scheduled in a lease for that portion of the obligation that comes due after the order for relief. As the statute does not mandate adequate protection payments and as the Chapter 13 plan shall provide for direct payments to real property lessors, there will be no reduction in the Chapter 13 plan payment for these direct payments.

D. Adequate Protection - Claim Secured by Personal Property. Unless the court orders otherwise, the Chapter 13 plan shall provide that §1326(a)(1) pre-confirmation adequate protection payments to a creditor holding an allowed claim secured by personal property (to the extent that the claim is attributable to the purchase of such property by the debtor for that portion of the obligation that becomes due after the order for relief is entered) shall be paid through the Chapter 13 trustee.

1. The debtor shall list the creditor's name, address, account number and payment for each secured creditor receiving a §1326(a)(1) pre-confirmation adequate protection payment in the Chapter 13 plan.
2. Unless the plan specifically provides in the remarks section that the creditor is not entitled to adequate protection payments, it is presumed that secured creditors listed in the section of the Chapter 13 plan dealing with retained personal property shall be entitled to adequate protection.
3. Unless the court orders otherwise, the Chapter 13 trustee shall not remit any adequate protection payment unless the personal property secured claimant has been listed in the section of the Chapter 13 plan dealing with retained personal property.
4. All adequate protection payments through the Chapter 13 trustee shall be made in the equal monthly amount provided for the claimant in the Chapter 13 plan unless the plan provides otherwise in the remarks section of the plan.
5. Pursuant to §1326(a)(3), claimants may file objections to the adequate protection

treatment provided by the plan. The Chapter 13 trustee shall continue to make payments to the claimant in the equal monthly amount provided in the plan if a proof of claim is on file until the court orders otherwise.

6. Upon the dismissal or conversion to another chapter of a case prior to the confirmation of a Chapter 13 plan, the Chapter 13 trustee shall make the pre-confirmation adequate protection payments, or a portion thereof, from any funds available for that purpose received on or before the date of the entry of the order of dismissal or conversion to creditors that have filed proofs of claim prior to the date of the dismissal or conversion.

E. Adequate Protection - Claim Secured by Real Property. Unless the court orders otherwise, the Chapter 13 trustee shall not distribute adequate protection payments to a real property claimant. Payments remitted by the trustee pursuant to an adequate protection order will be disbursed after the order becomes final. If the payments on the claim are for a long-term debt, the amount remitted to the adequate protection claimant shall be credited against the claimant's post-petition equal monthly payments.

Rule 3087-1. Garnishment Proceeds

Any proceeds which the Chapter 13 trustee receives from the release of a garnishment, absent a prior specific order of the Bankruptcy Court, shall be held by the Chapter 13 trustee for credit towards the debtor's plan payments.

Rule 3088-1. Chapter 13 Emergency Refunds, Suspension of Plan Payments And Borrowing

A. Emergency Refunds. The Court will not order and the Chapter 13 trustee shall not issue emergency refunds.

B. Suspension of Plan Payments. The court may order the suspension of plan payments pursuant to a motion. If the court orders a suspension and the debtor is on an employer wage order, it shall be the debtor's responsibility to cause the affected employer to stop the deduction of the plan payments for the amount of the suspension so ordered and it shall be the debtor's responsibility to make certain that the plan payments recommence on time. Any funds remitted to the trustee, despite a court-ordered suspension, shall be distributed to claimants pursuant to the terms of the confirmed plan or shall be distributed to adequate protection claimants if the plan is not yet confirmed or shall be held by the Chapter 13 trustee pending confirmation of the plan. These funds shall not be returned to the debtor.

C. Treatment of Suspended Plan Payments. An order granting an abatement, waiver, or suspension, does not eliminate the payment; rather it adds payments onto the end of the plan. The granting of an abatement, waiver, or suspension is without prejudice to the rights of any secured creditor to seek a lift of the stay or other appropriate relief.

D. Emergency Borrowing. The Chapter 13 trustee may grant a debtor permission to borrow sums of \$2,500 or less per request. Applications to borrow amounts in excess of \$2,500 must be filed with and approved by the Court. All requests and applications must state the lender, the amount of the loan, the terms of repayment (including monthly payments and interest rate), the purpose of the loan, and the impact of the borrowing on the debtor's ability to continue to fund the Chapter 13 plan.

Rule 3089-1. Refunds in Dismissed and Converted Cases

If a plan payment is received by the trustee on or before the date of the order of dismissal or conversion in a confirmed plan, those funds will be disbursed to creditors pursuant to the terms of the confirmed plan.

Rule 3091-1. Disbursement of Insurance Proceeds

A. No Court Approval Needed. If the Debtor suffers a casualty loss and that loss is covered by insurance, the debtor does not need the approval of the Bankruptcy Court for the insurer to pay the loss payee pursuant to the terms of the insurance contract.

B. Plan Payments Continue to Loss Payee. If any creditor being paid through the trustee's office is the loss payee on the insurance policy and funds are distributed to that creditor from the insurer, the trustee shall continue to disburse payments to that creditor pursuant to the terms of the confirmed plan unless:

- I. The debtor files an objection to the proof of claim and the Bankruptcy Court enters an order directing the trustee to cease making payments to the creditor or the order reduces the allowed amount of the claim (any such objection should state with specificity the treatment of both the secured and unsecured portions of the claim)
- or
- ii. The creditor withdraws its claim or amends its claim.

C. Insurance Proceeds Received by Debtor. If the debtor receives any insurance proceeds in excess of \$2,500, after payment of the loss payee or in excess of funds paid to trade vendors for the repair/replacement of the property, the debtor shall not dispose of such excess proceeds without an order of the court.

Rule 3092-1. Executory Contracts and Leases

It is the debtor's responsibility, and not the trustee's, to assume, reject, or assign an executory contract or unexpired lease and to properly and timely serve same on the affected parties.

Rule 3093-1. Chapter 13 Plan Payoffs

A. Motion to Provide Payoff. The Chapter 13 trustee is not required to provide Chapter 13 plan payoffs to a debtor or debtor's attorney unless a motion is filed with the Court and the Court enters an order directing that a payoff be provided.

B. Contents of Motion. A motion to provide a payoff must include:

1. The reason the payoff is needed.
2. The source of the funds to pay off the plan.
3. If the plan has run less than the applicable commitment period, a statement that all filed and allowed unsecured non-priority creditors will be paid in full, or state with particularity why payment in full of that class of creditors is not required.
4. State with specificity any claims that are to be excluded from the payoff calculation.

PART IV. THE DEBTOR; DUTIES

Rule 4001-1. Automatic Stay - Relief From

A. Notice; Default. When a motion for stay relief, adequate protection, redemption, or lien avoidance is filed, the Court will issue an order setting an answer date and a hearing date if an answer is filed. Movant is required to promptly serve this order on all parties not receiving electronic notice. If the respondent(s) fail(s) to timely file an answer, the motion is deemed admitted and the Court may enter a final order. If the movant fails to file a certificate of service with the Court showing that the order setting an answer date and a hearing date was served on parties not receiving electronic notice, the Court may deny the motion.

B. Motion for Stay Relief; Contents. A motion for relief from the automatic stay shall state the amount of the balance due of principal and interest as of the date of the bankruptcy petition. In addition, the motion shall state the following:

1. In Chapter 7 cases, if the motion is filed prior to the §341 Meeting of Creditors, the motion shall state an estimate of the value of the collateral.
2. In Chapter 13 cases, where the movant is seeking relief from the stay for failure to make post-petition payments on a claim secured by real property that is the Debtor's principal residence or is treated by the Debtor's Chapter 13 Plan pursuant to § 1322(b)(5), then the motion, or attachments thereto, shall contain a legible post-petition payment history (**Local Form - MOW 4001-1.1**). The payment history shall set forth the date each post-petition payment was received, the amount of each post-petition payment received, and how each post-petition payment was applied by movant. Pursuant to § 362(g)(2), the Debtor has the burden to prove any post-petition payment(s) alleged to have been made but not set forth in the motion, or attachments thereto.

C. Exhibits; Witnesses. Three days before the hearing, parties shall mark and exchange all exhibits which may be offered and exchange a list of witnesses who may be called. Movant's exhibits should be marked with numbers, and respondent's with letters. An Exhibit Index on the

Court form (See **Local Form - MOW 7016-1.1**) must be submitted at the hearing.

D. Order. Proposed orders shall be submitted by e-mail or on diskette as the Court may direct.

E. Adequate Protection. If debtor intends to make an offer of adequate protection, it shall be set out in the answer.

F. Trustee; Service of Documents. A trustee is a party in interest and must be timely served with the motion for relief and all documents supporting the motion. Movant shall serve legible paper copies of all documents evidencing perfection of security interests on the trustee and debtor's counsel at the time of the filing of the motion for relief or promptly thereafter. In the alternative, as to mortgages and deeds of trust only, the movant may file the page of the document, showing recording information, and the signatures of the borrowers. If such alternative is used movant shall promptly provide paper copies of the entire document upon specific request from the trustee or debtor's counsel. Service shall be certified on the motion for relief (**Appendix 3-01**). Movant's failure to serve the trustee and debtor's counsel under this rule may result in delay in the hearing on the motion for relief or denial of the motion.

G. Mechanics' Liens. The stay is modified without motion or order to allow filing of a notice to preserve a mechanic's lien. Before proceeding with further action thereafter, the party must file a motion and obtain an order modifying the stay.

H. Negotiations with Governmental Agencies. If a farm debtor borrowed from a governmental agency, the stay is modified without motion or order to allow debtor and that agency to negotiate and submit applications for loan servicing options pursuant to agency regulations. Debtor shall file and serve on all creditors a Notice of Intent to Enter Into Loan Service Agreement, with the opportunity to object, stating the terms of the proposed agreement, at least 20 days before entering into such agreement.

I. Conditional Orders Granting Relief from Stay. In Chapter 7 or 13 cases, an order that resolves a motion for relief from stay that, *inter alia*: (i) conditionally denies the motion; (ii) provides for future payment of some or all of the post-petition arrearage; (iii) contains a "drop dead" clause; and/or (iv) contains a grace period for curing a default of the term(s) of the order, shall be known as a conditional order granting relief from stay.

If the movant alleges that the debtor has defaulted on any term of a conditional order granting relief from stay, movant shall give the debtor 10 days written notice to cure. After such ten-day period has expired, without cure, the movant shall submit a final order setting out the terms of the alleged breach and granting the relief requested.

Rule 4001-2 Automatic Stay - Extension or Imposition

A. Scope of Rule. This rule applies to motions to extend the automatic stay pursuant to § 362(c)(3) or to impose the automatic stay pursuant to § 362(c)(4).

B. Contents of Motion. A motion to extend or impose the automatic stay filed pursuant to this rule shall include the following information: the number of previous cases under the Bankruptcy Code involving the debtor and pending within the one-year period preceding the filing of the current case; the jurisdiction and case number of each such case; the date and reason for dismissal of each such previous case; whether any presumption of lack of good faith arises pursuant to § 362(c)(3)(C) or § 362(c)(4)(D); and the facts upon which the movant relies to rebut any such presumption.

C. Service of the Motion. The motion shall be served by the debtor (or other party in interest filing the motion) in the manner required by the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure and these rules, upon each party against whom the movant seeks to extend or impose the stay.

D. Notice of Motion and Hearing. Upon the filing of a motion subject to this rule, the Court shall issue a notice setting a hearing on the motion (to be held regardless of whether a response is filed) on the next available docket after the 15-day period subsequent to the filing of the motion. Movant shall serve the notice in the same manner as required for service of the motion and file a certificate of such service with the Court. If the movant requires an earlier hearing, it shall file with the motion a request to expedite the hearing, which the Court may grant or deny in its discretion. A response to the motion may be filed no later than 24 hours prior to the hearing.

Rule 4001-3. Automatic Stay - Internal Revenue Service

A. Scope of Rule. This rule applies to the Internal Revenue Service and its action, in the ordinary course of business, to offset pre-petition tax refunds owed to the debtor against the pre-petition income tax liabilities owed by a debtor in Chapter 7 and 13 cases.

B. Motion for Relief from the Automatic Stay Not Necessary. The automatic stay afforded by § 362 shall be modified without motion, notice or hearing in Chapter 7 and 13 cases 45 days after the order for relief is entered in such cases for the sole purpose of allowing the Internal Revenue Service to offset any pre-petition tax debts in accordance with 26 U.S.C. § 6402, unless the debtor or another party in interest files an objection within said 45-day period to any proposed or anticipated setoff and requests a hearing.

Rule 4001-4. Automatic Stay - Mortgage Statement Not a Violation of the Stay

A periodic statement of account sent by a mortgage creditor in the ordinary course of business to a debtor in a pending Chapter 13 case shall not be deemed a violation of the automatic stay so long as it does not include a demand for payment. The statement may include a coupon or other

payment for the debtor's use in making the periodic payment(s) on the account.

Rule 4002-1. Duties of Debtor

A. Request. Within 10 days after a trustee requests information at the § 341 meeting or in writing, debtor shall: 1) serve on the trustee a response with the information; or 2) file and serve an objection with specific grounds and a copy of the trustee's request, and request a conference or hearing. Parties shall file these items only if an objection is filed or the response is an amendment to pleadings such as schedules.

B. Copies. Debtor's counsel shall promptly provide to interested parties on request copies of schedules and similar pleadings filed with the Court. If the items are not required to be served, counsel may charge a reasonable amount for copying and mailing.

C. Collateral Inspection. Debtor shall grant a secured creditor's reasonable request to inspect collateral without motion. If the request is made in preparation for a hearing, the inspection shall be permitted within five days of such request and, in any event, not less than two days prior to the hearing.

Rule 4003-1. Garnishments

A. Pre-petition Garnishments/Lien Avoidance. Pre-petition property of a debtor subject to a writ of garnishment may be subject to a claim of exemption. If so, debtor's counsel may file a motion to avoid the garnishor's lien, pursuant to § 522(f), and serve the motion upon garnishor (or the garnishor's counsel, if known), the trustee, and the United States Trustee.

B. Post-Petition Garnishment. A writ of garnishment as to post-petition property of a debtor for a pre-petition debt violates the automatic stay, unless the case is under Chapter 13 and the garnishment is to enforce an order for alimony, maintenance, or support to a spouse, former spouse, or child. Debtor or debtor's counsel may file a Motion for Order of Release of Writ of Garnishment as to Wages (See Local Form) earned and paid after the date of the filing of the Chapter 7 bankruptcy petition. The motion shall be served on the garnishor or the garnishor's counsel, if known, the garnishee, the trustee, and the United States Trustee.

Rule 4004-1. Grant or Denial of Discharge

A hearing under § 524(d) on discharge or postpetition agreements in Chapter 7 will be held only on motion of debtor or other party unless required by the Bankruptcy Code or the Federal Rules of Bankruptcy Procedure.

Rule 4004-2. Extensions of Time to File Objections to Discharge / Dischargeability

A party filing a motion to extend the time for the filing of a complaint objecting to discharge, or to determine the dischargeability of a debt, shall, on the date of the filing of such motion, serve the motion on debtor and counsel for the debtor. A hearing on such motion shall be held if an objection to the motion, or a request for hearing, is filed by debtor within 20 days after service of such motion.

Rule 4004-3. Chapter 7 Cases Closed Without Discharge

If required by § 727(a)(11), the certificate of completion of the personal financial management instructional course is due 45 days after the first date set for the meeting of creditors. If the certificate has not been filed, a chapter 7 case may be closed without a discharge. If the certificate of completion of the personal financial management instructional course is filed after the case is closed, the debtor must also file a motion to reopen the case with a 20-day notice to all creditors and interested parties. A filing fee to reopen the case must be paid with the motion.

Rule 4004-4. Discharge in Chapter 13 Case - Completed Plan

A. Motion for Entry of Discharge. For all chapter 13 cases filed on or after October 17, 2005, upon notice of completion of the plan by the Chapter 13 trustee, debtor shall file a motion for entry of chapter 13 discharge using the Court's form (**See Local Form - MOW 4004-4.1**).

B. No Motion Filed. If no motion for entry of chapter 13 discharge is filed, the case may be closed without entry of a discharge order upon receipt of the trustee's final report. If the motion for entry of chapter 13 discharge is filed after the case has been closed, the debtor must also file a motion to reopen the case with a 20-day notice to all creditors and interested parties. A filing fee to reopen the case must be paid with the motion.

Rule 4008-1. Reaffirmation Agreements

A. Form. Agreements to reaffirm debt pursuant to § 524© shall be executed on Director's Procedural Form B240 promulgated by the Administrative Office of the United States Courts and available on the Court's website. In compliance with Fed. R. Bankr. P. 4008, Part D of the reaffirmation agreement must include information reflecting the income and expenses shown on Schedules I and J of the Schedules of Assets and Liabilities and any discrepancies between the income and expense figures shown on Part D and Schedules I and J must be explained.

B. Certification. In addition to the reaffirmation agreement, debtor's counsel shall file the Certification of Debtor's Attorney Regarding Reaffirmation Agreement that substantially conforms to the Local Form (**See Local Form, MOW 4008-1.1**).

C. Processing and Judicial Review of Reaffirmation Agreements. The procedures described below relate to review of reaffirmation agreements for potential undue hardship under § 524(m).

1. Review for Undue Hardship Pursuant to § 524(m).

a. If the reaffirmation agreement has been properly completed and no presumption of undue hardship arises because the income shown on Part D less the expenses shown there equals or exceeds the required payment on the debt to be reaffirmed, no judicial review or other action is necessary and a notation will be placed on the docket to that effect.

b. If the reaffirmation agreement has not been properly completed or if the presumption of undue hardship arises because the expenses shown on Part D plus the amount of the payment on the debt to be reaffirmed exceed the income shown, the reaffirmation agreement will be referred to a judge for review.

(1) If the Court determines that no presumption of undue hardship arises, no further judicial review is required and a notation on the Court's docket to that effect will be made.

(2) If the presumption of undue hardship arises and is rebutted by the explanatory information contained in Part D, the Court may approve the agreement without a hearing and an appropriate text order will be entered.

(3) If the presumption of undue hardship arises and no explanatory information is offered or the Court concludes that the presumption is not rebutted by the explanatory information offered, the Court will set the reaffirmation agreement for hearing. The reaffirmation agreement may also be set for hearing if the reaffirmation agreement has not been properly completed or does not comply with Fed. R. Bankr. P. 4008.

c. Hearing on Reaffirmation Agreement

(1) If a reaffirmation agreement has been set for hearing, deficiencies in the reaffirmation agreement may be corrected by the filing of an amended reaffirmation agreement. Supplemental information intended to rebut a presumption of undue hardship may also be submitted in advance of the hearing and must reference the related reaffirmation agreement at the time the supplemental information is filed in ECF. Any amended reaffirmation agreement or supplemental information intended to rebut a presumption of undue hardship must be filed no later than 24 hours before the scheduled hearing. Any information filed later than that may not be considered prior to the hearing. If the Court reviews the amended reaffirmation agreement or supplemental information, and determines that it resolves any identified questions or issues or rebuts the presumption of undue hardship, the Court may enter an order finding that no presumption of undue hardship arises or that the presumption is rebutted,

approving the agreement and canceling the hearing.

(2) Debtor and counsel must appear at any scheduled hearing on approval of a reaffirmation agreement. At the hearing, the Court will determine whether the reaffirmation agreement is to be approved or not. An appropriate text order will be entered subsequent to the hearing.

2. Review of Agreements not Signed by Counsel Pursuant to § 524(c)(3).

a. If the reaffirmation agreement has not been signed by counsel, it will be set for hearing. If the debt to be reaffirmed is not secured by real property, the court must approve the agreement as being in the best interest of the debtor and not imposing undue hardship on the debtor or the debtor's dependents. If the debt to be reaffirmed is secured by real property, the Court will give the debtor the admonitions required by § 524(d)(1).

b. Debtor and counsel must appear at any scheduled hearing on approval of a reaffirmation agreement. At the hearing, the court will determine whether the reaffirmation agreement is to be approved or not. An appropriate text order will be entered subsequent to the hearing.

Rule 4070-1. Insurance

A. Debtor-in-Possession. Debtors-in-possession in any Chapter shall insure all estate assets against physical damage and loss with policy limits covering asset values stated in debtor's schedules; maintain liability coverage for operations and businesses; and as appropriate or customary for the industry, maintain additional types of insurance (e.g. workers compensation, products liability, or professional liability).

B. Proof of Insurance. Upon request of an interested party, trustee or United States Trustee, debtor shall provide proof of insurance, which shall include a certificate of insurance, binder, or other document from the carrier stating amounts, types and period of coverage, and notation of any secured party as loss payee. Failure to provide proof presumes no insurance is in effect.

C. Noncompliance. Failure to maintain insurance as required herein or to produce proof of insurance shall be grounds for dismissal or conversion, or relief from the automatic stay.

D. Motor Vehicles. For a motor vehicle retained by debtor and subject to a creditor's allowed secured claim (including a mobile home or trailer designed for or capable of travel on public roads) in addition to requirements stated in Paragraphs A, B and C, if debtor fails to provide proof of insurance or for any reason insurance terminates, debtor is enjoined from using the vehicle so long as it is uninsured and the following applies:

1. The secured creditor shall serve debtor, personally or by mail, at the address in the bankruptcy petition, and debtor's attorney, written notice of the lapse of insurance.
2. If debtor fails to provide the creditor proof of insurance within three business days after service of the notice in subsection (1), debtor shall surrender the vehicle or the secured creditor may take possession and hold it pending presentation of proof of insurance.
3. Within five days after taking possession of a vehicle pursuant to subsection (2), the creditor shall file a motion for lift of stay, with an affidavit stating compliance with this Rule. The Court may grant the creditor relief from § 362 without further hearing or notice.
4. Absent agreement between the debtor and the lienholder, the debtor shall prepay at least three months of insurance on the vehicle; the collision and comprehensive deductible shall not exceed five hundred dollars (\$500); and the insurance policy shall name the lienholder as a loss payee.

E. Motor Vehicle; When Lien is Disputed. If a lien on a motor vehicle is disputed or the subject of a trustee's complaint to avoid lien and the debtor retains possession of the vehicle, the debtor is responsible for insuring the vehicle until such time as the lien issue is decided by the Court or until the vehicle is turned over to the trustee or alleged secured creditor. If the debtor fails to provide proof of insurance to the trustee, the trustee may take such action as necessary to protect the vehicle and estate.

F. Motor Vehicle; Defined. For purposes of this Rule, the term Motor Vehicle shall include an automobile, truck, recreational vehicle, all terrain vehicle, motorcycle, trailer, mobile home designed for or capable of transport on public roads, airplane, and motorized boat.

PART V. COURT AND CLERK

Rule 5005-1. Filing and Transmittal of Papers

A. Service of Documents and Orders by Electronic Means. All filing is by electronic means in accordance with the Court's ECF Administrative Procedures unless the exemption under Paragraph D of this section applies or paper filing is required by the Federal Rules of Bankruptcy Procedure or the Local Rules of this Court. Electronic transmission of a document or order to the Electronic Filing System, together with the transmission of a Notice of Electronic Filing from the Court's transmission facilities, constitutes filing and service of the document or order for all purposes of the Federal Rules of Bankruptcy Procedure and the Local Rules of this Court, and constitutes entry on the docket kept by the clerk under Fed. R. Bankr. P. 5003 and 9022.

B. Procedures. The Court will accept for filing those documents submitted, signed or verified by electronic means that comply with procedures established by the Court and incorporated in these Rules or otherwise specified in its current ECF Administrative Procedures.

C. Filing Fees. Unless exempt under Paragraph D of this section, filings that require a fee shall be paid online using the Court's credit card payment system.

D. Procedures for Pro Se Filers. Procedures for the filing of documents by pro se parties and non-registered filers are set out in **PART X, REQUIREMENTS AND PROCEDURES FOR PRO SE FILERS.**

E. Technical Failure, ECF System Not Available for Filing. The Clerk shall deem the ECF System to be subject to a technical failure on a given day if the ECF System is unable to accept filing continuously or intermittently over the course of any period of time greater than one hour after 12:00 noon on that day. In the event of such technical failure, filings due that day which could not be filed solely because of such technical failure shall be due the next business day.

Rule 5008-1. Notice Regarding Presumption of Abuse in Chapter 7 Cases of Individual Debtors

A. Initial Notice. The Clerk shall provide notice to all creditors of the initial determination regarding presumption of abuse.

B. Change in Presumption of Abuse. If a debtor files a statement that a presumption of abuse has arisen after the initial notice under Paragraph A indicated that there was no presumption of abuse or the presumption of abuse was unknown, the debtor is directed to provide notice to all creditors, trustees and persons requesting notice of the change in presumption of abuse pursuant to Fed. R. Bankr. P. 2002(f) and to file a certificate of service with the Court.

Rule 5009-1. Trustee's Distribution, Report and Final Decree

A. Trustee's Final Report and Proposed Distribution. As soon as practicable after completing administration of a Chapter 7 asset case, the trustee shall submit to the United States Trustee a Trustee's Final Report and Proposed Distribution (TFR) in the form prescribed by the United States Trustee. Within 60 days of submission of the TFR, the United States Trustee will file with the Court the TFR as submitted, return the TFR to the trustee for revision and re-submission to the United States Trustee, or file with the Court an objection to the TFR.

B. Service of Summary and Notice of Proposed Distribution. Promptly after the TFR is filed with the Court, the trustee shall serve a Summary and Notice of Proposed Distribution upon the creditors and interested parties appearing on the Court's matrix. Creditors and interested parties have 25 days after service of the Summary and Notice of Proposed Distribution to file objections.

C. Commencement of Distribution. The trustee shall commence distribution to creditors

within 15 days of the Court's order approving the TFR.

D. Trustee's Distribution Report and Certification of Zero Balance. Within 125 days after the date of the Court's order approving the TFR, the trustee shall submit to the United States Trustee the Trustee's Distribution Report and Certification of Zero Balance (TDR) in the form prescribed by the United States Trustee. Within 30 days of submission of the TDR, the UST will file the TDR as submitted or return the TDR to the trustee for revision and re-submission to the United States Trustee.

E. Final Decree. After filing of the TDR, the Court will enter a Final Decree closing the case and discharging the trustee.

Rule 5010-1. Reopening Cases

A. Motion to Reopen Required. In accordance with § 350(b), the debtor or other party in interest may file a motion to reopen a case to administer assets, to accord relief to the debtor, or for other cause. If a debtor or creditor seeks to file an adversary proceeding to determine the dischargeability of a debt under Fed. R. Bankr. P. 4007(b) after the main bankruptcy case has been closed, a motion to reopen the closed bankruptcy case shall first be filed. If a case has been closed without granting a discharge to the debtor and the debtor seeks to file the Personal Financial Management Instructional Course Certificate required under §727 (a)(11) in order to receive a discharge, a motion to reopen the closed bankruptcy case shall first be filed.

B. Fee Required. Unless deferred or waived, the required filing fee shall be paid when a motion to reopen a closed case is filed. The reopening fee shall be charged when a case is closed without a discharge being entered and the debtor seeks entry of a discharge. The court may waive this fee under appropriate circumstances or may defer payment of the fee from trustees pending discovery of additional assets and pursuant to a motion to defer filed by the trustee. If payment is deferred, the fee shall be deemed waived if no additional assets are discovered.

C. Fee Not Required. The reopening fee shall not be charged if the reopening is necessary to:

1. Correct an administrative error.
2. Permit a party to file a complaint to obtain a determination under Fed. R. Bankr. P. 4007(b).
3. File an action against a creditor who is violating the terms of the discharge under § 524.

D. Service. On a motion to reopen to add a creditor, debtor shall file and serve upon such creditor a notice (See Local Form - MOW 5010-1.1) that the affected creditor must object within 30 days after service and that thereafter, the case will be reclosed, pursuant to Paragraph F. On a motion to reopen a case closed without granting a discharge to the debtor where the debtor seeks to file the Personal Financial Management Instructional Course Certificate required

under §727 (a)(11) to receive a discharge, all creditors must be served and given 20 days to object.

E. Assignment. The motion will be assigned to the judge or division to which the case was last assigned before closing.

F. Reclosing. A motion to reopen to add a creditor may be granted ex parte. Within 30 days after the order to reopen, a creditor who objects to the addition or to the dischargeability of its debt, or the discharge of debtor, shall file an appropriate motion or adversary action. If no pleadings are filed, the claims of added creditors will be discharged and the case reclosed without further notice.

PART VI. COLLECTION AND LIQUIDATION OF THE ESTATE

PART VII. ADVERSARY PROCEEDINGS; CONTESTED MATTERS

Rule 7004-1. Service of Process

A. Service. Service of process in an adversary action shall be made on the debtor and the debtor's agent, where applicable, in accordance with Fed. R. Bankr. P. 7004. If the debtor is not represented by an attorney, all other documents subsequently filed in the matter shall be served on the debtor by first class mail. If the debtor is represented by an attorney in the adversary proceeding, all subsequent pleadings may be served on the debtor's attorney through the Court's electronic transmission facilities.

B. Agent. When a petition for relief is filed in any Chapter, debtor shall file a designation of debtor's attorney as agent to receive service of process pursuant to Fed. R. Bankr. P. 7004(b)(9) in all proceedings in the case, including adversary actions and contested matters. This designation is contained within the Declaration Re: Electronic Filing(See Local Forms).

Rule 7005-1. Serving and Filing of Pleadings and Other Papers

The provisions of Local Rule 5005-1 and the Court's ECF Administrative Procedures apply. Registration for participation in the Court's Electronic Case Filing System and receipt of a password constitute written consent to receive electronic service from the Court and/or other parties.

Rule 7005-2. Filing of Discovery Materials

A. Non-filing of Discovery. The following discovery documents and responses shall be served on opposing counsel and parties, but not filed with the Court unless ordered: requests to produce, inspect or admit; interrogatories; and depositions.

B. Certificate of Service. Instead of filing the discovery pleadings, the parties shall file a certificate of service.

Rule 7007.1-1. Corporate Ownership Statement

Local Form. See **Local Form - MOW 1007-1.1** for the Corporate Ownership Statement required by Fed. R. Bankr. P. 1007(a)(1) and 7007.1.

Rule 7016-1. Pre-Trial Procedures

A. Trial Date. The trial date is generally set when the adversary complaint is filed and will be stated on the summons.

B. Pretrial Period. In an adversary action parties generally will be given 60 days to complete pretrial procedures, which may be adjusted for cause. Parties may request an earlier trial date.

C. Pretrial Conference; Scheduling Order. Discovery and pretrial conferences, and orders scheduling discovery may be set by the Court or on request of a party. If the Court determines that the Conference of Parties and Discovery Plan specified in Fed. R. Civ. P. 26(f) should be required in a particular proceeding, the Court shall enter a scheduling order as contemplated by Fed. R. Civ. P. 16(b). **Plaintiff shall serve the pretrial order, summons, and complaint** on all parties unless otherwise ordered. The attorney who will handle the trial shall participate in all conferences unless excused by the Court. Counsel must have authority to agree to uncontroverted facts and to the scope and scheduling of discovery.

D. Exhibits; Witnesses. Three days before trial, or as set out in a pretrial order, parties shall mark and exchange all exhibits which may offered, and file and serve the exhibit and witness lists. An Exhibit Index on the Court form (See Local Form - MOW 7016-1.1) must be submitted at the trial. Plaintiff or movant exhibits will be marked with numbers, and defendant or respondent exhibits will be marked with letters.

Rule 7026-1. Discovery - General

Local Rules 26.4 (Non-filing of Discovery Responses) and 30.1 (Depositions), United States District Court, Western District of Missouri, shall apply. Unless otherwise requested the Initial Disclosures specified in Fed. R. Civ. P. 26(a)(1) and the conference of Parties and Discovery Plan specified in Fed. R. Civ. P. 26(f) shall not be required. If a party wishes that such discovery procedures be imposed, a motion to that effect shall be filed as soon as practicable.

B. Discovery Deadline. Deadlines for the close of discovery will be extended only for cause. Absent extraordinary circumstances, a deadline will not be extended unless there has been active discovery. Delayed discovery is not grounds for extension of discovery deadlines. Unless ordered otherwise, filing of a motion, including one on dismissal, summary judgment or discovery, does not toll commencement of discovery or excuse counsel from completing discovery. Counsel may agree to modify deadlines without Court approval if trial and pretrial conference dates are not affected.

C. Discovery Motion. The Court will not entertain motions on a discovery dispute until parties have complied with the following:

1. Movant's counsel has conferred, or made reasonable efforts to confer, and communicated in writing with opposing counsel in a sincere effort to resolve the dispute. Counsel shall certify compliance with this Rule in any discovery motion, detailing efforts to resolve the dispute before the motion.
2. After compliance with subsection (1), the parties shall request an expedited discovery conference with the Court, which may be by telephone or in chambers. If the dispute is not resolved by conference, a discovery motion may be filed.

D. Form of Responses. The party answering interrogatories or requests to admit, produce or inspect shall set forth each question or request immediately before the answer or response.

F. Submission. Motions are deemed submitted on the date the response is filed. When no response is filed, motions shall be deemed submitted 20 days after the filing date.

G. Hearings; Notice. At least five days notice of a hearing date will be given if practicable. For cause, the Court may shorten the notice period. A party may request oral argument or a hearing on a motion. Whether to grant the request is within the Court's discretion.

3. Determination by Court. On motion by a party or on its own motion, the Court may determine whether there is a right to a jury trial on the issues for which a jury is demanded or whether a jury demand in a proceeding on a contested petition shall be granted.

HOW TO CREATE A MATRIX TEXT FILE

FOR ELECTRONIC FILING

- Talk to your software vender first.
- If your software will not convert the matrix to a text file, then take the following steps:

1. Use a 1" left margin to create your matrix in Word/WordPerfect format.
2. Type your creditors in a single column down the left-hand margin as follows:

John Doe Creditor
1214 Anywhere Street
City, State and Zip

Mary Doe Creditor
1012 American Way
City, State and Zip

3. Single space each creditor and double-space between creditors; the city, state and zip must be together on the last line. **IF YOU MUST INCLUDE ACCOUNT NUMBERS, DO NOT PUT THEM ON THE LAST LINE. DO NOT USE HARD PAGE BREAKS BETWEEN PAGES. IF CREDITORS BECOME SEPARATED BETWEEN PAGES, SIMPLY INSERT ADDITIONAL LINES.**
4. Click [File] and then [Save As...]
5. Name your file and change your drive (if necessary)
6. Beside the selection "File type:" click the down arrow button [▼]
7. Select one of the following options depending on your software:
 - WordPerfect - choose "ASC II DOS Text"
 - Word - choose "MS DOS Text"
8. Click [Save]
9. Your matrix is now in text format.

HOW TO CREATE A MATRIX FOR PRO SE DEBTOR PAPER FILING

1. Prepare a typed list of all your creditors (mailing matrix).
2. The matrix must include the name of the creditor, the address, and the city, state and zip code.
3. The list should be in a single column format with a 1 inch left margin.
4. Single-space the creditors but . . .
5. Double-space between creditors but do not separate a creditor from the address. The full name and address of a creditor should be on one page.
6. The city, state and zip must be all on the same line.
7. Use an ordinary font such as Times New Roman or Arial.

Here is an example:

ABC Corporation
1200 Main Street
Anywhere, MO 60000

Mr. and Mrs. XYZ
2100 Maple Drive
Anywhere, MO 60000

H&M Business Supply
1010 Elm Boulevard
Anywhere, MO 60000

8. You may use either a typewriter or a computer.
9. If using a computer, do not use hard returns.
