

Local Rules of the United States Bankruptcy Court for the Western District of Missouri

Rule 3085-1. Notice to Allow Claims

A. Trustee Notice. After confirmation of the plan and after the claims deadline, the trustee shall file a notice to allow or disallow claims. The trustee will serve the notice on debtor and debtor's attorney. The trustee will mail to each scheduled creditor or claimant with a filed claim an acknowledgment of claim and notice of the proposed treatment of the claim. Thereafter, if the trustee loads a claim which was not on the original notice or otherwise adjusts a claim which was on the original notice, the trustee shall file and serve a notice allowing the claim as an additional, adjusted, or amended claim.

B. Response. Claims will be deemed allowed as listed in the notice unless, within 30 days, debtor or a creditor files and serves an objection on the trustee, debtor's attorney, and other appropriate parties. Responses shall reference the Court's claim register number rather than the trustee's creditor record number.
