

Local Rules of the United States Bankruptcy Court for the Western District of Missouri

Rule 9013-3. Certificate of Service

A. Certificate of Service. Each pleading shall have a signed certificate of service at the end of the pleading or on a separate, captioned certificate, stating: the manner and date of service, and each person served, either by name or reference to a standard mailing list, including electronic notice using the Court's ECF system. A pleading without a proper certificate may be stricken or denied.

B. Incorrect Certificate. A certificate is not sufficient if it is in a separate cover letter or on a cover sheet which is not a separate, captioned certificate, or consists of a general statement that proper parties have been served.
