designations are being filed

Please review certificates
prior to upload to make sure
they reference WDMO.

DOWN THE ROAD

- * 2023 Docket Dates will be posted shortly.
- * 2023 District Dues will be \$20.00, due by February 15.
- * Paralegal/Support Staff training presented by the court and Chapter 13 Trustee – coming to Kansas City on April 24, 2023.
- * Universal Calendar Auto Notification (UCAN) coming soon!

The Western District has a newly developed program that will automatically import, display and update your court schedule from District and Bankruptcy CM/ECF to Outlook, Google or Apple calendars via iCalendar subscriptions. Your personalized UCAN calendar link can be shared with support staff so that they, too, can import your court calendar to their device. Support staff can also color code calendar imports if they support multiple attorneys. Testing of the program has been performed and a soft launch has occurred. Be on the lookout soon for a mass e-mail instructing you on how to enroll!
