CHAPTER 13 RATE NOTICE

TO: CLERK, BANKRUPTCY COURT

FROM: Rick Fink, Trustee

RE: LOCAL RULE 3084-1

Pursuant to Local Rule 3084-1G the 5-year Treasury Note rate on June 2, 2014, was 1.60%.¹

Accordingly, the "Chapter 13 Rate" for cases in which the initial plan is filed on or after July 1, 2014, is 4.60%.²

¹ Federal Reserve Bank H.15 Release—Selected Interest Rates (Daily)— June 6, 2014, Release.

² Local Rule 3084-1E provides in pertinent part that the "Chapter 13 Rate" is determined based on the 5 year Treasury Note rate plus 3% nominal interest per annum. The Court has determined that the Local Rule complies with the guidelines set out in *In re Till*. As June 1, 2014, was a Sunday the rate for Monday, June 2, 2014, was used.
