

Judge Bough's spouse is a non-partisan elected official. It is possible that a litigant or lawyer appearing before Judge Bough may have donated to her campaign. Pursuant to judicial ethics guidance, this Court may limit the time frame in which campaign contributions will be considered as a reason to question Judge Bough's impartiality under Canon 3C(1) of the Code of Conduct for United States Judges. Any party shall notify the Court within thirty (30) days from the date of the issuance of the Court's Order Setting Deadlines for Filing of Joint Proposed Scheduling Order and for Rule 26(f) Conference if it intends to seek recusal based on a donation to the campaign of Judge Bough's spouse within the last 5 years.
