

NOTICE RE FEBRUARY 2, 2026, CHAPTER 13 DOCKET

The court will conduct the Chapter 13 docket on February 2, 2026, by **telephone using Judge Norton's Zoom audio conference hearing line**.¹ **ALL PARTIES WILL PARTICIPATE TELEPHONICALLY.**

Please note that the court has sorted the Chapter 13 docket by the last name of the debtor's attorney² and divided the docket into **two groups**. A copy of that docket showing the **two groups** is attached and is also posted with this Notice on the court's website at <https://www.mow.uscourts.gov/bankruptcy>.

As reflected on that docket, the Court will begin calling the cases as follows (and in the order listed on that docket) starting at **9:00 am CT**:

Group #1 (Pro Se Glanton/Jenkins; Abernathy – Dean)
starting at 9:00 am

Group #2 (Ellis – Williamson)
starting at 10:00 am, or as soon thereafter as the Court finishes Group #1

Please connect to the docket at least 5 minutes before your case group is scheduled to begin. **To connect to this docket, please use the Zoom application on your phone, tablet, or computer and enter Meeting ID: 161 3505 0945.**

If you do not have access to Zoom, you may dial:

Toll Free: 1-833-435-1820
Meeting ID: 161 3505 0945

Before you call in, **please mute your telephone until the court calls your first case**. When the court finishes hearing your case(s), please put your telephone back on mute or hang up. **DO NOT PUT YOUR PHONE ON HOLD AT ANY TIME** because that might play "hold music" for everyone on the line, including the court, and interfere with the docket.

Please remember to speak directly into your phone and enunciate clearly so we make a good record.

¹ If you have not already done so, we encourage you to download the Zoom app to your device to streamline your access to our docket and enable the courtroom deputy to track who is on the call.

² The cases are sorted by the attorney of record reported on the case docket. This might be different than the attorney appearing for the docket. If the debtor has more than one attorney of record, the case is sorted using the last name that comes first in the alphabet (e.g., Abernathy not Watton).
