

Western District of Missouri U.S. Bankruptcy Court CM/ECF System WILL BE UNAVAILABLE during the upgrade to NEXTGEN from 12:00 PM JULY 6 through 8:00 AM JULY 9

We do not wish to alarm anyone who has a filing deadline during this time. Per Local Rule/Administrative Procedure, if the CM/ECF System is unable to accept filing continuously or intermittently over the course of any period of time greater than one hour after 12:00 noon on that day, filings due that day which could not be filed solely because of such technical failure shall be due the next business day. Should you have concerns about your ability to serve your clients due to this downtime, please contact one of the following managers:

Susan Wexter - 816-266-7658
Cecelia Parle - 816-668-4074

After the upgrade to NextGen, you will access CM/ECF using your upgraded PACER account. If you have not upgraded your PACER account, please do so prior to July 9 to avoid long wait times should you need assistance. The first time you log in with your individual upgraded PACER account on or after July 9, you will need to link your PACER account to your WDMO filing account. You will need your current WDMO Bankruptcy filing login and password to do this. This is a one-time process. After linking your CM/ECF filing account to your PACER account, you will then use your PACER account when filing documents with the court. This may be referred to as your Central Sign On account.

Easy to follow instructions on linking can be found at our website:
